The Voice

**Friday, November 13 to  
Sunday, November 15, 2026**

**St. Simons, GA**

## WHAT IS THE LADYBUG ROUNDUP

For three days every year, women from all over the country get together for a weekend of recovery from the disease of alcoholism using the program of Alcoholics Anonymous through seminars, workshops, speakers, meditations, laughter, friendship, creativity, & new experiences. We stay at a beautiful, peaceful Roundup center located on the Golden Isle coast in St. Simons, Georgia.

The highlights of our Roundup are the wonderful speakers and workshops, along with women bonding and fellowship.

As always, the focus of this year's workshop comes directly from the program of Alcoholics Anonymous and the Big Book. This year we celebrate 29 years of Ladybugs gathering together for fellowship in recovery.

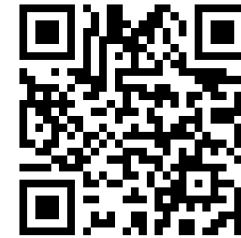

“The Ladybug Roundup is a living 9<sup>th</sup> step amends to my daughter Tina. The Ladybug symbol is an icon of my daughter speaking to me while I was at her gravesite.”  
The Ladybug Lady, Vivian Q.

### DIRECTIONS
